

**Umoja Summer Learning Institute
Kellogg West Conference Center
SCHEDULE AT A GLANCE**

Goals of Training

- To introduce all components of the Umoja Community and enable each team to work with these components, so they are familiar and connected.
- Each team/participant will appraise the situation on their respective campuses as it pertains to the possibility of creating and/or sustaining an Umoja Community on their campus.
- Each team/participant will engage in SLI activities to enhance, change, implement and or challenge programs on their respective campuses.
- Each team/participant will interpret and practice African-centered and culturally responsive retention and pedagogical practices.
- Each team/participant will add to a comprehensive binder/portfolio that contains the essential materials for their campus' program.
- Each team /participant will present a Final presentation of their SLI work to the Umoja Community in attendance at the commencement of training.
