

Beyond Black History Month: Taking Back an “Umoja Presence” to Your Campus:

Using everything we have experienced, including the Maafa, the Practices and the Coordinator’s Handbook, prepare a presentation to share with the group--the “Umoja Presence”--that you will also bring back to your campus. Your presentation will be on Friday and will be timed at 10-15 minutes, including Q&A.

Some examples:

- Umoja Day (Pierce, AVC)
- Campus wide Umoja recruiting plan for students, faculty staff and administrators (Chaffey ,DVC)
- Occupying Space(s) with Umoja (San Mateo, LMC)
- Umojafying departments (Chabot Business)
- Umojafying flex days (Mira Costa, SDCC (Math))
- A 1-3 year strategic plan that lays out your program’s growth and expansion plan
- Bringing Umoja into the high schools (the Umoja bus, San Diego Unified MOU)
- Preparing a presentation to share your Umoja program with key stakeholders-- Academic Senate, College Council, Planning and Budgeting Committee, SSSP/Equity/Guided Pathways Committee, Dept. meetings)
